TOP SECRET

2 July 1982

Weekly Report

Intelligence Community Staff

- COMIREX is reviewing intelligence requirements for the purpose of making recommendations on a launch schedule for [REDACTED] satellites.

25X1

Directorate for Administration

- From 21-27 June OMS assisted the Joint Special Operations Command with selection procedures for candidates to serve in anti-terrorist units.

25X1

- The Joint Policy Board of the DTS will hold its monthly meeting on 6 July.

Directorate for Operations - No report.

Deputy Director for Science and Technology

- A U-2 aircraft will be transferred [REDACTED] for exhibition at the National Air and Space Museum in the fall.

25X1

25X1

- OTS has again been asked to assist the Secret Service in providing psychological and graphological analyses of letters threatening to assassinate the President.

- On 23 June NPIC sponsored a Conference on Insurgency and Terrorism for the Intelligence Community. It was designed to acquaint the attendees with NPIC's capabilities for countering insurgency and terrorism.

- In support of evacuation efforts in Lebanon, NPIC/PEG provided NSA a priority readout on electronics equipment and hostile forces in the evacuation area.

25X1

- On 21 June, DIA Director Lt. Gen. Williams was briefed on NPIC and a new collateral imagery computer terminal.

25X1

- FBIS coverage of the Lebanon situation provided "first alerts" about political and military developments related to this crisis.

25X1

TOP SECRET

TOP SECRET

- FBIS materials were routed to the residence via the Department and then to Beirut by telex.

25X1

Deputy Director for Intelligence

- ALA typescript memoranda, responding to a set of questions from Deputy Assistant Secretary Crocker on the situation in Angola, were delivered to the State Department on 1 July.
- EURA participated in discussions with several NIOs and outside consultants on economic prospects in the 1980s and their implications for Atlantic relations in preparation for NIE 20-2-82 "Atlantic Bridge."

25X1

National Intelligence Council

- NIO/NESA attended an interagency meeting on 29 June on a proposed U.S. military exercise in the Gulf of Sidra, did a memo on the meeting, and arranged for intelligence assessments in support of the policy deliberations.
- C/NIC attended an interagency meeting of the group headed by Under Secretary Buckley on alternative energy sources for Western Europe.
- NIO/General Purpose Forces and VC/NIC will visit Army ACSI General Odom on 7 July to discuss our estimates program.

25X1

Personnel - See tab.

General Counsel

- On 30 June the Senate passed the Intelligence Authorization Act for FY-83. The Act was amended to include former spouses legislation, a provision permitting the DCI to employ additional personnel, and a provision to relieve CIA from restrictions on ADP procurement.
- See tab for status report on S. 2552 with regard to federal criminal penalties for violent acts against intelligence personnel.
- This week the President signed a memorandum authorizing NSA, with Attorney General approval, to collect information related to international narcotics production and trafficking.

TOP SECRET

TOP SECRET

- A case was settled recently involving a claim by a former FBIS employee for reinstatement of damages following his termination. By the settlement FBIS was able to maintain the right to terminate unsatisfactory employees and the Agency avoided threatened court action.

Inspector General

- Two NPIC employees have acknowledged they received almost \$24,000 in unearned overtime payments. Appropriate administrative and legal actions are being taken in this case.

Comptroller

[REDACTED]

25X1

D/OE, will brief Adm. Thomas Moorer's PFIAB subcommittee on Agency budget, audit and finance procedures.

Office of External Affairs

- On 7 July William Kucewicz of the Wall Street Journal will meet with [REDACTED] OSWR, to discuss "Yellow Rain."

25X1

Upcoming Calendar

- 6 July - NFIB Meeting (DCI, DDCI)
 - NFIC Meeting (DCI, DDCI)
- 7 July - SIG-I Meeting (DCI, DDCI)
- 8 July - Meeting with PFIAB (DCI)
- 9 July - Breakfast with Secretary of Defense (DDCI)

TOP SECRET

Intelligence Community Staff Weekly Report

28 June - 2 July 1982

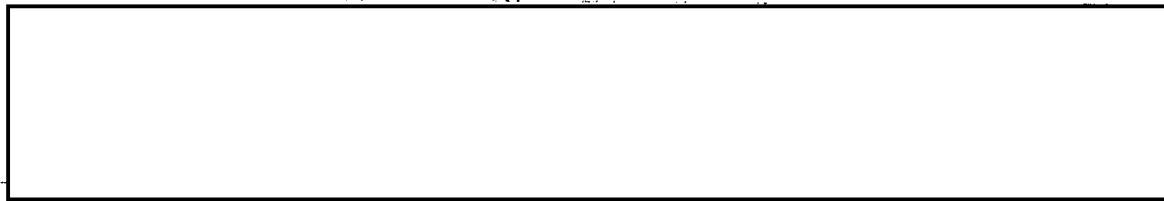

Completed

Intelligence Community Planning - A memorandum to the Secretary of State, Secretary of Defense, Director, OMB, and Assistant to the President for National Security Affairs has been provided to the DCI for signature. This memo invites their participation in a steering group chaired by the DDCI which will continue the Intelligence Community planning process begun with the 1985 Capabilities Study. The first phase of this effort will be to update the 1985 Capabilities Study. The second phase is to continue planning projections through 1995. The steering group will be supported by a working group chaired by the Director, Office of Planning, ICS.

Ongoing

-- Satellite Launch Schedule - COMIREX is deliberating from an intelligence requirements viewpoint the most effective use of future [redacted] imaging satellites, with a view toward recommending an optimum launch schedule for DCI approval.

25X1

25X1

-- NSSD-2 - Draft circulated to NFIC and SIG(I) for discussion at meetings scheduled for 6 and 7 July respectively.

25X1
